601 SW 41st St,
Renton, WA 98057

While smoke alarms are essential, they are designed to **alert** you to a fire. Home fire sprinklers **control** the fire, giving you and your family valuable time to escape.

Join us for the opportunity to:

- Learn how fire sprinklers function and the cost of installation
- See a live fire sprinkler demonstration
- Receive valuable information about how Renton and other communities are incentivizing the installation of fire sprinklers in homes
