HEALTH INSURANCE TERMS EXPLAINED

COPAY

A copay is a flat dollar amount you pay for a medical service. Copays typically apply to office visits and prescription drugs. In most cases, emergency room visit copays are in addition to the member's coinsurance.

DEDUCTIBLE

A deductible is the annual amount you need to pay upfront before the plan begins paying expenses. Not all services are subject to the deductible. The family deductible applies if you have family members enrolled in your plan with you. The family deductible is the most you have to pay for deductibles if you have dependents enrolled. Each person has their own deductible, but once the family deductible is met, no one else in your family has to pay toward their deductible. This amount resets on January 1 of each year.

COINSURANCE

Coinsurance is the portion you pay after you meet your annual deductible. Coinsurance is the percentage of the allowable amount, or the contracted rate. The plan pays a percentage of the allowable amount and you pay a percentage. For in-network services, our plan pays 80% after you meet your annual deductible of \$1,500, and you pay 20%.

OUT-OF-POCKET MAXIMUM

The out-of-pocket maximum is the maximum amount you'll pay in a calendar year for covered medical expenses. You pay toward the out-of-pocket maximum when you pay your deductible, coinsurance, or copay. Anything above the out-of-pocket maximum will generally be covered by the plan at 100%. This amount resets on January 1 of each year. Out-of-pocket maximums are higher when you use out-of-network providers.

Note: Balance Billing charged by Category 3 Providers is not considered covered services and therefore does not count toward the out-of-pocket maximum.

ALLOWABLE AMOUNT

The amount the plan pays for covered services provided by out-of-network providers is based on a maximum allowable amount for the specific service rendered. Although your plan stipulates an out-of-pocket maximum for out-of-network services, please note the maximum allowed amount for an eligible procedure may not be equal to the amount charged by your out-of-network providers. Your out-of-network provider may bill you for the difference between the amount charged and the maximum allowed amount. This is called balance billing and the amount billed to you can be substantial.

The out-of-pocket maximum outlined in your policy will not include amounts in excess of the allowable charge and other non-covered expenses as defined by your plan. The maximum reimbursable amount for out-of-network providers can be based on a number of schedules such as percentage of reasonable and customary or percentage of Medicare. Contact your claims payer or insurer for more information.

REGENCE BLUESHIELD PROVIDERS

Category 1 / Preferred Providers: A Regence Preferred Provider is a Category 1 Provider. These providers save you the most in out-of-pocket expenses. Choosing a Preferred Provider means you will not be billed for balances beyond deductibles, copayments and/or coinsurance for covered services.

Category 2 / Participating Providers: A Participating Provider is a Category 2 Provider. Your out-of-pocket costs for these providers will be higher than a Preferred Provider, and your cost-share will be greater on most services. When using a Category 2 Provider, you will still not be billed for balances beyond any deductible, copayment, and/or coinsurance for covered services.

Category 3 / Non-Participating Providers: A Non-Participating Provider is a Category 3 Provider outside of the network and does not have negotiated discounts with Regence to lower your costs. Your out-of-pocket costs will be highest, your cost-share will be highest, and you may be billed for balances beyond your deductible, copayment, and/or coinsurance (sometimes preferred to as "Balance Billing") with a Category 3 Provider.

The plan document or carrier's master policy is the controlling document, and this guide does not include all of the terms, coverage, exclusions, limitations, and conditions of the actual plan language.

VEBA HRA \$2,000 / \$4,000 BENEFIT

We have a High Deductible Healthcare Plan (HDHP). To offset the financial impact of the plan deductible for all employees who enroll in the HDHP, Renton RFA contributes \$2,000 (individual) or \$4,000 (family) per year to their VEBA HRA. See the following pages for information on the VEBA HRA.

THE BLUECARD PROGRAM

The BlueCard Program offers you access to a network of contracted Blue Cross Blue Shield providers around the world if you're traveling or living outside of the Regence BlueShield service area – Washington, Oregon, Utah, Idaho. Just like at home, these networks can save you time and money. For covered benefits that are available to you outside of the Regence BlueShield service area, please call Regence BlueShield:

Inside the U.S. call 800.810.BLUE (2583)

Outside the U.S. (call collect): 804.673.1177

Note: For emergency care outside of the Regence BlueShield service area, go to the nearest hospital and contact BlueCard® if admitted.

HEALTH INSURANCE PRESCRIPTION DRUG BENEFITS

There's an app for that →
Search "SAV-RX" in the
app or play store.

Your medical plan includes a comprehensive prescription drug program. The level of coverage depends on whether the drug is generic or brand, and whether it is on the Sav-Rx formulary, or preferred drug list. Your out-of-pocket cost is lowest when you buy generic drugs, and highest when you buy brand drugs that are not on the formulary.

Sav-Rx covers a broad formulary of drugs. To determine whether your drug is on the formulary, please check the online list at savrx.com, click "Formulary", and then enter the drug name and group number (6558). You can also find a list of in-network pharmacies online. The drug list is updated periodically to ensure that newer, more effective drugs are listed.

When filling a prescription, present your Regence BlueShield member ID card to any participating pharmacy. If using an out-of-network pharmacy, you will need to pay the drug cost out-of-pocket and then submit a claim form to Sav-Rx to be reimbursed for the amount of coverage.

MAIL ORDER PRESCRIPTION DRUGS

If you take prescription drugs on an ongoing basis, you can save money by using the Mail Order program and ordering a **90-day supply at a time**.

To take advantage of the mail order program, ask your doctor to write you a prescription for a 90-day supply. Send it in along with the form you can download online at www.savrx.com. You can then conveniently refill the prescription online or over the phone.

Mail Order Prescription Drug Copays	
Generic Medication	\$10 copay
Formulary Brand Name Medication	\$50 copay
Non-Formulary Brand Name Medications	\$100 copay
Specialty Medications	Applicable copay applies (30-day supply only) Must be filled via Sav-Rx Specialty Mail Order Pharmacy

Retail Drug Copays	
Preventive Medication	Covered at 100% per ACA guidelines Contact Sav-Rx for info
Generic Medications	\$5 copay
Formulary Brand Name Medications	\$25 copay
Non-formulary Brand Name Medications	\$50 copay

GENERIC VS. BRAND NAME MEDICATION

Generic drugs have been approved by the FDA as safe and effective alternatives to its brand name counterpart. Generic drugs contain the same active ingredients in the same amounts as the brand name product. The generic version works just like the brand in dosage, strength, performance, and use. Generics may differ in color, shape, size, or flavor from the brand product; however these differences do not affect the performance, safety, or effectiveness of the generic drug.

If you choose to take a brand name drug over an exact generic equivalent, you will be responsible for the applicable plan copay, plus the difference in drug cost.

FORMULARY VS. NON-FORMULARY BRAND NAME MEDICATION

A formulary is a list of preferred products. The formulary considers treatment options on a therapeutic basis first, then based upon cost effectiveness.

Generic medications, when they are available and considered equivalent to their brand counterpart, are always preferred over brand name products. When similar brand name medications are available to treat a condition, the formulary helps physicians and patients consider treatment options in order of cost effectiveness.

HEALTH INSURANCE DENTAL PLAN - OPTION 1

DELTA DENTAL OF WASHINGTON

Oral care is important to your health and general well-being. Renton RFA provides comprehensive dental coverage through Delta Dental of Washington. Under this plan, you may access dental care services from any licensed dentist you wish. However, if you obtain services from a Delta Dental in-network dentist, you will save on your out-of-pocket expenses.

Delta Dental offers a comprehensive provider network both locally and across the nation. All participating Delta Dental dentists agree to provide services to you at discounted, negotiated fees. If you use out-of-network dental providers, your charges will be based on the maximum allowable fee for your area, as determined by Delta Dental.

Find Delta Dental providers at www.DeltaDentalWA.com or see the "Your Benefit Contacts" page at the end of this guide.

HEALTH INSURANCE DENTAL PLAN - OPTION 2

WILLAMETTE DENTAL GROUP

You deserve a personalized, proactive dental care plan: one that aims for whole, strong and healthy teeth to last your lifetime. The Willamette Dental Group is comprised of leaders in proactive preventive oral healthcare — and has been for over 45 years. It's the Willamette way.

Willamette Dental Group believes quality dental care should be simple and affordable for everyone. They create a personalized long-term treatment plan for every patient based on your unique health strengths and risks. Using this proactive approach to dental care, they aim to stop tooth decay before it happens — sometimes they can even reverse the early effects of tooth decay. That means fewer invasive treatments so your teeth can stay intact longer, giving your natural smile a fighting chance to last a lifetime. Providers can be found at www.WillametteDental.com.

Search "Transcarent" in the
app or play store.

THE TRANSCARENT HEALTH CARE EXPERIENCE

Transcarent includes a suite of coverage that enhances our existing benefits program. Transcarent provides familiar services, such as the Surgery Care and Virtual Physical Therapy benefits previously known as BridgeHealth and Sword Health. It also includes a new Oncology Care benefit, in addition to a powerful new app that provides telehealth services, a user-friendly provider finder, a symptom checker, health guides, and more!

SURGERY CARE

When you need surgery, Transcarent can help you get the best care for your procedure at no cost to you. Their Care Coordinators guide you through the surgery process so you can focus on your health and recovery.

VIRTUAL PHYSICAL THERAPY

Work virtually with a licensed physical therapist for back, joint, and muscle pain - at no cost! You receive sensors and a tablet pre-loaded with a custom therapy plan, so you can benefit from therapy in the comfort of your home.

ONCOLOGY CARE

Get customized support and guidance for cancer. Transcarent will ensure you receive top-quality medical services and care delivery for your initial diagnosis through treatment.

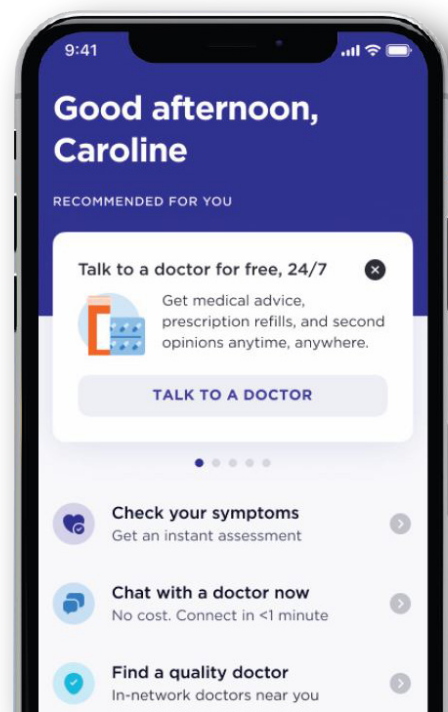

TELEHEALTH

Transcarent makes connecting with a doctor as easy as texting a friend. Skip the wait and talk to a doctor when it works for you - in 60 seconds or less. No pre-registration or appointment needed. This benefit is in addition to the MDLive telehealth benefit and can be used in addition to or in place of that benefit.

TRANSCARENT MOBILE APP

You can access these benefits and more, including a provider finder, symptom checker, health guides, and expert medical opinions, all through the Transcarent App. This can be used in addition to, or in place of, the MyCreateHealth app through Magnacare. You decide which service works best for you!

HEALTH INSURANCE TRANSCARENT - SURGERY CARE

EXPAND YOUR OPTIONS

The Transcarent Surgery Program expands your options at no additional cost to you. It is designed to save you money and give you access to top-rated hospitals, surgery centers, and doctors for planned, non-emergent procedures.

TRANSCARENT SURGERY CARE BENEFITS	
	PPO Plans
You Pay	\$0 No deductible No coinsurance
Paid Travel Expenses	Airfare, lodging, and meal allowance for the patient and a companion when traveling over 100 miles.
You Receive	Care allowance up to \$1,500 when you choose a Transcarent provider.

HOW IT WORKS

Transcarent pre-negotiates rates for a wide variety of surgical procedures with top-tier providers from across the nation. These pre-negotiated rates save our healthcare insurance provider, and those savings are also passed along to you. Not only do you know about all costs upfront - no surprises after surgery - there is no deductible and no coinsurance when using a Transcarent provider (for PPO plan members).

As a plan member, all you need to do is call and speak to a Transcarent Care Coordinator. They will help walk you through the process of coordinating your procedure with an approved provider. If the best provider is more than 100 miles away, they will also provide travel, lodging, and meal allowance for you and a companion.

This benefit only applies if the IAFF Health & Wellness Trust medical plan is your PRIMARY health insurance.

HEALTH INSURANCE TRANSCARENT - ONCOLOGY CARE

YOUR ADVOCATE IN CANCER CARE

All enrolled members and family members have access to the Oncology Care program through Transcarent. This program is designed as an end-to-end experience for members and caregivers that provides access to valuable resources like the Expert Advisory Review team, who provides members with reviews of diagnosis and treatment plans, and local treating oncologists with ongoing peer-to-peer guidance. Members and caregivers with questions can connect with experienced oncology nurses who can answer all questions related to diagnoses and treatment.

THE ONCOLOGY CARE EXPERIENCE

Through Oncology Care, you can expect live, human support from the moment you begin your journey. Health guides are there to make the process as easy and seamless for you as possible.

You can call a health guide to connect with the Oncology Support team of experienced oncology nurses for ongoing guidance during and after your cancer treatment. You can also communicate via in-app messaging to learn about the program, to receive support for your treatment, and to understand the steps through your treatment journey.

HOW MUCH DOES IT COST?

You will pay nothing for using Transcarent's Oncology Care program. That's right—the IAFF HWT is covering 100% of the benefit cost so you pay zero when using the Centers of Excellence (COE) program. If you utilize the peer-to-peer support program, there is no cost to you, but expenses for care will be billed through the medical plan (for members on a high deductible health plan with a qualifying health saving account, Transcarent services are no cost to you after your deductible has been met).

HEALTHCARE DESIGNED TO EMPOWER YOU

The Transcarent suite of benefits is now part of your IAFF Health and Wellness Trust plan benefits, including access to the Transcarent Telehealth and Mobile App benefits. Access expert care the same way you'd text a friend, book a ride, or stream a movie - it's care on your terms, 24/7.

CONNECT TO A DOCTOR IN AS LITTLE AS 60 SECONDS

Transcarent Telehealth benefit allows you to skip the wait and chat or video call with a doctor in as little as one minute. You can use this benefit in addition to the MDLive telehealth benefit, and you can access this benefit alongside your other Transcarent benefit options through the Transcarent mobile application.

Transcarent Telehealth helps save you a physical trip to the doctor and has been shown to reduce trips to the ER or urgent care by as much as 40%!

ALL YOUR TRANSCARENT BENEFITS IN ONE, SIMPLE APP

It all starts with the Transcarent mobile app. You can download the app by opening the Play or App Store and searching "Transcarent". Search for the  icon and install the application to your mobile device.

In addition to the Transcarent benefits previously outlined in this benefits guide, the Transcarent mobile application gives you access to the full scope of the program's benefits, including:

PROVIDER FINDER

Find a high-quality provider that suits your health and care needs. Access to data on doctors including quality insights, efficiency of care delivery, and performance scores.

SYMPTOM CHECKER

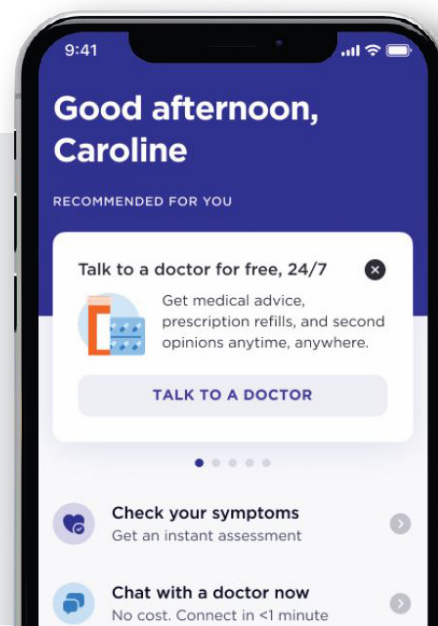

Check your symptoms virtually! Answer questions in the app to conveniently get pre-diagnosis, triage, and guidance to the appropriate medical services.

HEALTH GUIDES

When it comes to your health, sometimes you just want to talk to a person—the same person so you don't have to tell your story multiple times. Our Health Guides are here to help you by phone, or log in to chat.

EXPERT MEDICAL OPINIONS

Make medical decisions with confidence and ensure you receive high-quality care. We can connect you with a team of expert doctors and nurses to help you understand medical conditions, learn about available treatment options and get a virtual second opinion.

HEALTH INSURANCE ADDITIONAL MEDICAL BENEFITS

PROGYNY- FERTILITY BENEFIT

Your IAFF Health & Wellness Trust plan now offers fertility benefits through Progyny. As a leader in fertility care, this program is designed to help you meet your goal of growing your family. The Progyny Smart Cycle plan covers all the individual services, tests, and treatments you need to work toward that goal. Your coverage includes:

- 2 Smart Cycles
- Progyny Rx - Integrated fertility medication coverage
- Donor Tissue Purchase- Egg and sperm tissue purchase coverage

Common ways to use Smart Cycle benefits:

IVF Fresh Cycle

NON-SURGICAL ALTERNATIVES

Regenexx is a non-surgical alternative that uses your body's natural healing agents and may be a solution in lieu of more invasive surgery options. Regenexx procedures use your own stem cells and blood platelets to treat damaged bone, cartilage muscle, tendon and ligament tissues.

ARE YOU A CANDIDATE

Regenexx procedures treat a broad range of chronic and acute orthopedic injuries. Whether you suffer from the lingering aches and pains often associated with aging, or a tear, or a sprain due to activity, Regenexx may be able to help return you to full function without invasive surgery.

Speak to your IAFF-HWT Regenexx patient liaison to learn more.

THE PROCEDURE EXPERIENCE

Regenexx procedures are injection-based, outpatient procedures. On procedure day, blood and/or stem cells are collected in the morning, processed in the Regenexx on-site lab, and reinjected under image guidance in the afternoon.

Most patients describe only moderate discomfort, and patients are encouraged to resume normal activity within a week following the procedure.

SCHEDULE AN EVALUATION

Regenexx's dedicated patient liaisons understand IAFF-HWT's benefits and will guide you through the process of finding the clinic nearest to you and scheduling your evaluation.

No physician referral is needed to schedule a Regenexx evaluation. Phone evaluations are available for patients who have recent imaging and do not live close to a clinic location.

HEALTH INSURANCE HEALTH REIMBURSEMENT ARRANGEMENT (HRA)

There's an app for that →
Search "BPASClaims" in the
app or play store.

INTRODUCING VEBA HRA

The Voluntary Employees' Beneficiary Association Health Reimbursement Arrangement (VEBA HRA) is a benefit provided by Renton RFA in which funds are deposited into a tax exempt, irrevocable account for you to use for out-of-pocket, health-related expenses. It works with our health plan to help manage healthcare costs.

Your VEBA HRA is a tax-advantaged account, meaning the contributions are tax free, the interest it accrues is tax free, and the distributions are tax free too. Only Renton RFA can contribute to your VEBA HRA and you reap 100% of the benefit.

HOW THE PLAN WORKS

Always present your medical ID card to your provider first, to ensure they bill your insurance for all applicable charges.

Once your claim has been processed, any balance due for eligible expenses can be charged to your VEBA HRA Benny Card. If you paid eligible expenses out-of-pocket, you may submit a reimbursement form, along with proof of the expense, to receive a reimbursement.

Regardless of whether you pay with your Benny Card or out-of-pocket to be reimbursed later, **ALWAYS KEEP YOUR RECEIPTS**. BPAS may require documentation for a purchase made with your Benny Card and **will** require proof of expense when submitting a reimbursement form. It is your responsibility to provide a detailed copy of your receipt, Explanation of Benefits (EOB), or itemized statement to be reimbursed (a credit slip stating the dollar amount is not sufficient).

If not using your Benny Card, you may claim reimbursements one of four ways: online, mobile app, fax, or US mail. Payments are issued via direct deposit or manual check. To ensure IRS compliance, 100% of claim requests are substantiated.

HEALTH INSURANCE FLEXIBLE SPENDING ACCOUNT (FSA)

WHAT IS A FSA?

A Flexible Spending Account (FSA) is an account you deposit pre-tax funds into to pay for eligible medical and dependent care expenses. Because the funds are deposited on a pre-tax basis, they are not counted as taxable income, saving you the amount of income tax you would have otherwise paid on the funds you deposit into your FSA.

There are two different types of FSA available to you through Renton RFA: the Health FSA (HFSA) and the Dependent Care FSA (DFSA). Both accounts allow up to \$550 of unused funds to be rolled over into the next plan year. Any unused funds beyond that will be lost at the end of the year. Your FSA accounts cannot be cashed out.

HEALTH FSA (HFSA)

During open enrollment, you have the opportunity to deposit funds into a Health FSA, up to the maximum contribution set by the IRS. On January 1, the funds become immediately available to you. We will divide the amount you chose by the number of pay periods in the plan year and deduct an even amount from each paycheck to collect your contribution. You receive your pre-tax benefit upfront, with the added benefit of paying it back over time.

Like your VEBA HRA, your HFSA uses your Benny Card to pay eligible expenses. You can also request reimbursement through the website or mobile app. HFSA funds can only be used to pay for eligible medical expenses, and just like your VEBA HRA, it is imperative that you retain all itemized receipts for all purchases made from your FSA.

DEPENDENT CARE FSA (DFSA)

Similar to your HFSA, during open enrollment, you have the opportunity to deposit funds into a Dependent Care FSA, up to the maximum contribution amount set by the IRS. However, your funds are provided to you on a monthly reimbursement basis. You do not have immediate access to all of the funds you elected to contribute and cannot use your Benny Card to pay for expenses from your Dependent Care FSA.

We will still divide the amount you chose to deposit into your DFSA and divide it by the number of pay periods in the plan year in order to deduct an even amount from your paycheck to collect your contribution.

FSA Benefit	
Maximum HFSA Contribution	\$3,300*
Maximum DFSA Contribution	\$5,000*
<i>Maximum amounts are per plan year, per household, in accordance with the IRS.</i>	

**Projected maximum contribution for 2025.*

ONLINE ACCOUNT ACCESS

- Follow the same account access steps outlined on the VEBA HRA page (pg. 24).
- From the claims portal home screen, navigate to the middle, left-hand side of the page and click either the HFSA or DFSA link to review your specific FSA account activity or file a new claim.

The BPAS website gives you access to online statements, online claims submission, claim status and history, plan documents, educational tools, and more.

There's an app for that →
Search "BPASClaims" in the
app or play store.

HEALTH INSURANCE HRA/FSA BENNY CARD & ELIGIBLE EXPENSES

GRACE PERIOD

Your FSA(s) have a 2 1/2 month grace period to incur eligible expenses after the end of the plan year. All grace period expenses are paid out of your "prior" plan year balance automatically until the grace period ends or the funds are depleted.

ABOUT YOUR BENNY CARD

Because both VEBA HRA and HFSA are managed by BPAS, you can conveniently use your Benny Card to pay for eligible expenses out of both accounts. The card will automatically deduct funds from your HFSA account first, then your HRA once those funds have been exhausted. This is because your HFSA funds have a roll-over limit, where your HRA funds can continue to grow year after year.

VEBA HRAs are subject to fluctuations in market investments, so you can only spend up to 90% of your balance with the Benny Card. If the expense is more than your card balance, your transaction will be declined. If you need to access more than 90% of the funds in your VEBA HRA, simply submit a reimbursement form.

To make a large purchase, always check your account balance so you can split the cost. Use the Benny Card for the exact amount you can deduct from your account and pay the remaining amount separately.

RETIREMENT BENEFITS

BUILDING A HEALTHY FUTURE

Your financial health is just as important as your physical health. Renton RFA offers a variety of retirement options to ensure our team has a bright and healthy future, even after they retire from the organization.

RETIREMENT LEOFF PLAN 2

LAW ENFORCEMENT OFFICERS' AND FIREFIGHTERS' RETIREMENT SYSTEM (LEOFF PLAN 2)

LEOFF Plan 2 is one of the retirement benefits provided to all Renton RFA firefighters. When you meet plan requirements and retire, you are guaranteed a monthly benefit for the rest of your life. Your monthly benefit will be based on your earned service credit and compensation while a member of the plan. This formula will be used to calculate your monthly benefit:

$$2\% \times \text{SERVICE CREDIT YEARS} \times \text{FINAL AVERAGE SALARY} \div 12 = \text{MONTHLY BENEFIT}$$

CONTRIBUTIONS

You, Renton RFA and the State of WA each contribute a percentage of your salary or wages to help fund the plan. The LEOFF Plan 2 Retirement Board adopts contribution rates and periodically adjusts them to reflect the overall cost of the plan. You are vested in the plan when you have five years of service credit. Once you are vested, you have earned the right to a future monthly benefit. If you leave your job and withdraw your contributions, however, you give up your right to a benefit.

LEOFF 2 Contribution Rates	
Employee	8.53% of Base Salary
Employer	5.32% of Base Salary

RETIREMENT AGE

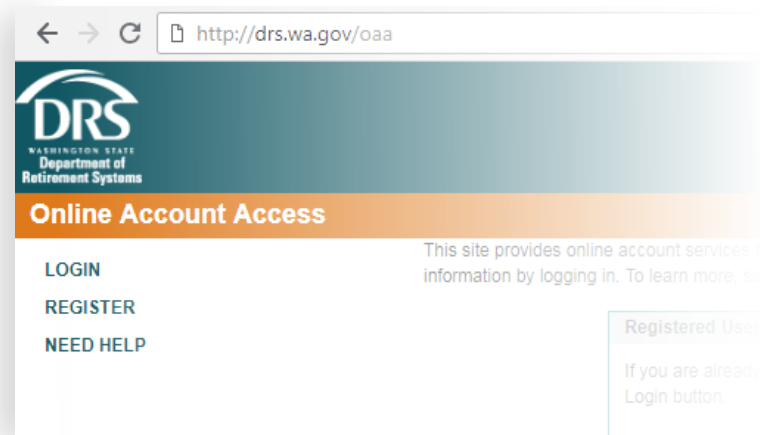

You are eligible to retire with a full benefit at age 53 if you have at least five years of service credit. Retirement before 53 is considered an early retirement. If you have at least 20 years of service credit and are at least age 50, you can choose to retire early, but your benefit might be reduced.

UNEXPECTED CIRCUMSTANCES

If the unexpected happens — disability or death before retirement — a benefit might be available. If you become totally incapacitated and leave your job as a result, you might be eligible for a disability retirement benefit. If you die before you retire, your spouse, registered domestic partner or minor child, if applicable, could be eligible to receive a benefit based on your years of service credit.

RETIREMENT PUBLIC EMPLOYEES' RETIREMENT SYSTEM (PERS)

PUBLIC EMPLOYEES' RETIREMENT SYSTEM PLANS (PERS 2 / PERS 3)

All non-firefighter staff have 90 days from your date of hire to select between one of two Public Employees' Retirement System plans - PERS 2 and PERS 3. If you do not choose a plan within 90 days, you will automatically be placed into PERS 2. You should be sure to carefully consider your options, as your decision is permanent.

While both plans provide quality retirement benefits, they also differ greatly from each other. Your choice will depend on when you plan to retire, if you want to be directly involved in your retirement investments, and if you want to be responsible for the performance of those investments. Below are some key differences between the two plans.

PERS 2 and PERS 3 Quick Comparison

PERS 2	PERS 3
PERS 2 provides a retirement benefit, guaranteed by the State of WA, based on the time you worked, your pay, and your age at retirement.	PERS 3 provides two retirement benefits: the defined benefit , which is guaranteed by the State of WA, and the defined contribution , which is dependent on your chosen contributions and investment performance.
Guaranteed income at a rate of $2\% \times \text{SCY} \times \text{AFC}$	Guaranteed defined benefit income at a rate of $1\% \times \text{SCY} \times \text{AFC}$ Defined contribution income varies based on your contribution, investment performance, and withdrawal choices.
One, pre-determined contribution rate	Six contribution rate options
Investments managed by Washington State Investment Board (WSIB) professionals	You manage your investment portfolio
Contributions are invested by WSIB and your guaranteed benefit is not dependent upon investment performance.	Your defined benefit is invested by WSIB and your guaranteed benefit is not dependent upon investment performance. You choose how your defined contribution will be invested and the amount of your benefit depends on the performance of your investments.
Eligibility for normal retirement: Age 65 or older with at least 5 service credit years.	Eligibility for normal retirement: Age 65 or older with at least 10 service credit years, or age 65 with at least five service credit years if at least 12 months were earned after age 44.
Eligibility for early retirement: Age 55 or older with at least 20 service credit years. There is less of a reduction in benefits if you have at least 30 years of service credit.	Eligibility for early retirement: Age 55 with at least 10 service credit years. There is less of a benefit reduction if you have at least 30 years of service credit.

Find out more details about each PERS plan on the following pages →

RETIREMENT PERS 2

PUBLIC EMPLOYEES' RETIREMENT SYSTEM - PLAN 2

When you meet the plan requirements and retire under PERS 2, you are guaranteed a monthly benefit for the rest of your life. Similar to LEOFF Plan 2, you are vested in the plan after five (5) service credit years and your monthly benefit is the product of:

$$2\% \times \text{SERVICE CREDIT YEARS} \times \text{FINAL AVERAGE SALARY} \div 12 = \text{MONTHLY BENEFIT}$$

CONTRIBUTIONS

PERS 2 is funded by mandatory contributions both you and Renton RFA make. The Washington State Investment Board (WSIB) invests those contributions. Member contributions are deducted from your pay, and you can see your contributions on your paycheck. Contribution rates fluctuate over time based on the funding needs of the plan.

PERS 2 Contribution Rates	
Employee	6.36% of Base Salary
Employer	9.11% of Base Salary

RETIREMENT

Age and Service Credit Requirements

You are vested in the plan once you reach five service credit years. To retire with full benefits, you must be vested and age 65 or older.

To be eligible for early retirement, you must be at least age 55 with 20 years of service credit. Your monthly benefit will be reduced for each year before you turn 65 to reflect that you'll receive monthly benefits over a longer period of time. The amount of reduction depends on your age. The earlier you retire, the larger the reduction.

If you have 30 or more years of service credit, your early retirement reduction is less.

ACCESSING YOUR FUNDS BEFORE RETIREMENT

Your plan is designed to provide a source of income throughout retirement. For this reason, you may not borrow from or against your contributions at any time. If you leave public service, it is possible to withdraw your contributions and the interest they've earned. However, if you do, you will give up your right to a future retirement benefit. You may not withdraw your employer's contributions under any circumstances.

If you withdraw your contributions and later return to public service, there are options for recovering your withdrawn service credit by making a one-time purchase.

RETIREMENT PERS 3

PUBLIC EMPLOYEES’ RETIREMENT SYSTEM - PLAN 3

PERS 3 has two parts - a defined benefit and a defined contribution. We contribute to your defined benefit. You contribute to your defined contribution. You select your investment program and contribution rate for the defined contribution part of your plan.

Like PERS 2, once you meet the age and service requirements of the plan, you will receive a guaranteed monthly benefit for your lifetime. Your benefit is calculated as the product of:

$$1\% \times \text{SERVICE CREDIT YEARS} \times \text{FINAL AVERAGE SALARY} \div 12$$
$$=$$
$$\text{MONTHLY BENEFIT}$$

CONTRIBUTIONS

Your defined benefit is the same as PERS 2. However, your defined contribution (the portion you contribute) is set by you. Once set, it cannot be changed unless you change employers.

If you do not choose a contribution rate, it will default to Option A. Ideally, you would choose your rate based on retirement income needs, years until retirement, and current budget.

RETIREMENT

Age and Service Credit Requirements

You are vested in the plan once you reach 10 years of service credit, five years of service credit with at least 1 year earned after age 44, or five years of service credit earned in PERS 2 before June 1, 2003.

If you are vested in the plan and retire at or after age 65, you will receive your full retirement benefit. You can apply for early retirement between ages 55 and 64, with 10 years of service credit, at a reduced benefit. Just like PERS 2, if you have 30 years or more of service credit and elect early retirement, your reduction in benefits will be less.

The guidelines regarding accessing your retirement funds before retirement mirrors the guidelines noted in PERS 2.

PERS 3 CONTRIBUTION RATES		
	Employee	Employer

OPTION F	15% all ages	

RETIREMENT

457(b) DEFERRED COMPENSATION PLAN

Renton RFA offers a deferred compensation plan in which employees may set aside a percentage of their earnings, on a tax-deferred basis, for retirement purposes. We also offer to contribute a percentage of base wage into the deferred compensation plan per the applicable labor contract.

VOLUNTARY DEFERRED COMPENSATION BENEFIT

The 457(b) Deferred Compensation Plan is a voluntary benefit offered by Renton RFA that supplements your retirement plan. It helps ensure that every team member has a bright future ahead of them when they retire. Eligible employees who opt into this benefit are able to set aside a portion of their salary for retirement on a pre-tax basis. Investment earnings are also tax deferred.

CONTRIBUTIONS

Deferred compensation plan contributions are regulated by federal laws and limits. Contribution limits are based on your current contributing age. The chart below contains the most recent contribution limits:

CONTRIBUTIONS		
Age	Annual Deferral Limit	Total Annual Deferral Limit
Age 49 and younger	\$23,500	\$23,500
Age 50+ Catch-up	+\$7,500 (in addition to the \$23,500 above)	\$31,000
Pre-Retirement Catch-up (within 3-years of retirement age)	+\$23,500 (in addition to the \$23,500 above)	\$47,000

DISTRIBUTIONS

You may receive distributions from your deferred compensation plan if you stop working for, or retire from, an eligible employer. You may also receive distributions if you are age 70 1/2 or older.

Exciting changes are coming to the deferred compensation plan in 2026! Stay tuned!

ADDITIONAL BENEFITS

BENEFITS THAT GO ABOVE AND BEYOND

We provide competitive, comprehensive benefits that fit your needs and your lifestyle from every angle. Whether it's providing you access to health and wellness services or ensuring your loved ones are taken care of in an emergent situation, our benefits package is designed to provide ultimate peace of mind.

ADDITIONAL BENEFITS LIFE INSURANCE

OUR LIFE INSURANCE PROGRAMS

We provide a base amount of Life Insurance, Dependent Life Insurance, and Accidental Death and Dismemberment Insurance (AD&D) to all eligible employees under the ULLICO Policy and The Standard Plan 1 defined below. Employees who want more coverage may apply for additional benefits, at their own expense, under The Standard Plan 2. In order to qualify for the Life Insurance program, you must be a current, active employee and regularly work at least 20 hours each week. If you are a temporary, seasonal, or leased employee or a full-time member of the armed forces of any country, you do not qualify. All eligible employees start coverage on the first day of the month following their start date.

BASIC LIFE & ACCIDENTAL DEATH & DISMEMBERMENT (ULLICO POLICY)

\$20,000 Basic Life, Accidental Death & Dismemberment Benefit

Please note, you must complete and return the beneficiary form to ensure distribution as desired.

LIFE INSURANCE PLAN 1 & 2 COVERAGE (THE STANDARD POLICIES)

Benefit	Amount
BASIC EMPLOYER PAID LIFE INSURANCE (PLAN 1)	
Life Insurance Benefit	1 times your annual earnings, rounded to the next higher multiple of \$1,000, if not already a multiple of \$1,000. The maximum amount is \$200,000.
Spouse Dependent Life Insurance Benefit	\$1,000; coverage for your spouse may not exceed 100% of your Life Insurance Plan 1.
Child Dependent Life Insurance Benefit	\$1,000; coverage for your child may not exceed 100% of your Life Insurance Plan 1.
The Repatriation Benefit	Coverage for the expenses incurred to transport your body to a mortuary near your primary residence. Not to exceed \$5,000 or 10% of the Life Insurance Benefit, whichever is less.
Accidental Death & Dismemberment Insurance (AD&D)	The amount of your AD&D Insurance benefit is equal to the amount of your Life Insurance Plan 1 benefit. The amount payable for certain losses varies and does not exceed 100% of your AD&D Insurance benefit.
ADDITIONAL EMPLOYEE PAID LIFE INSURANCE (PLAN 2)	
Life Insurance Benefit	You may apply for Life Insurance in multiples of \$25,000 from \$25,000 to \$250,000. However, your Plan 2 benefit cannot exceed 5 times your annual salary.
Spouse Dependent Life Insurance Benefit	You may apply for Dependent Life Insurance in multiples of \$12,500 up to a max of \$100,000. Coverage for your spouse may not exceed 100% of your Life Insurance Plan 2. Additional underwriting may apply.
Child Dependent Life Insurance Benefit	You may apply for Dependent Life Insurance in multiples of \$5,000 up to a maximum of \$10,000. Coverage for your child may not exceed 100% of the amount of your Life Insurance Plan 2.

PLAN 2 RATES

ADDITIONAL BENEFITS CRITICAL ILLNESS PLAN

CRITICAL ILLNESS PLAN

Firefighters are at an exponentially higher risk for cancer than any other cause of death. Renton RFA takes this fact very seriously. **The Aflac Critical Illness Plan is provided to ALL Renton RFA members at no cost** and is designed to help pay for expected and unexpected expenses arising from a diagnosis of a covered illness, including cancer.

This plan provides a cash benefit to any eligible employee who suffers from a covered condition. There is no open enrollment necessary for this plan; every employee of Renton RFA is enrolled automatically. The provided benefit amount and percentage of benefit by condition is shown below. This is a summary and will be superceded by the plan contract.

Who's Covered	Benefit Amount
Member	\$5,000
Child(ren) under 26	\$2,500

COVERED CONDITIONS

Covered Condition	Percent of Benefit Amount
Heart Attack (Myocardial Infarction)	100%
Sudden Cardiac Arrest	100%
Coronary Artery Bypass Surgery	25%
Major Organ Transplant	100%
Bone Marrow Transplant (Stem Cell Transplant)	100%
Kidney Failure (End-Stage Renal Failure)	100%
Stroke (Ischemic or Hemorrhagic)	100%
Cancer (Internal or Invasive)	100%
Non-Invasive Cancer	25%
Skin Cancer	\$250 PCY

Childhood Covered Conditions Rider:

- Cystic Fibrosis
- Cerebral Palsy
- Cleft Lip or Cleft Palate
- Down Syndrome
- Type 1 Diabetes
- Phenylalanine Hydroxylase Deficiency Disease (PKU)
- Spina Bifida

Please note: Spouses are not covered under this critical illness plan.

Cancer caused 70% of firefighter deaths in 2016

Firefighters have a **14% higher risk** of dying from **cancer** than the general U.S. population

Recurrence Benefit
100%

Additional Diagnosis/Recurrence Separation Period

Six (6) consecutive months
For cancer diagnosis, treatment-free from cancer for at least 12 months and in complete remission before the date of a subsequent cancer diagnosis

ADDITIONAL BENEFITS
GROUP CRITICAL ILLNESS PLAN

GROUP CRITICAL ILLNESS PLAN

Critical illness touches everyone in some way, and it is especially prevalent to those in our line of work. For this reason, in addition to the provided Critical Illness Plan, we have partnered with Aflac to provide Renton RFA members with the option to purchase additional critical illness coverage. Not only does this coverage help with treatment costs of covered critical illnesses, it also helps you focus on recuperation and not unexpected out-of-pocket costs.

Covered Critical Illness	Percent of Benefit Amount
Heart Attack (Myocardial Infarction)	100%
Sudden Cardiac Arrest	100%
Coronary Artery Bypass Surgery	25%
Major Organ Transplant	100%
Bone Marrow Transplant (Stem Cell Transplant)	100%
Kidney Failure (End-Stage Renal Failure)	100%
Stroke (Ischemic or Hemorrhagic)	100%
Cancer (Internal or Invasive)	100%
Non-Invasive Cancer	25%
Skin Cancer	\$250 PCY

Initial Diagnosis
Pays a lump sum benefit upon initial diagnosis of a critical illness when such diagnosis is caused by or solely attributed to an underlying disease. Cancer diagnoses are subject to the cancer diagnosis limitation. Benefits will be based on the face amount in effect on the critical illness date of diagnosis.

Additional Diagnosis
Pays a benefit for each different critical illness after the first, when the two dates of diagnoses are separated by at least 6 consecutive months. Cancer diagnoses are subject to the cancer diagnosis limitation.

Health Insurance Screening Benefit
We will pay \$50 for health screening tests performed while an insured’s coverage is in force. We will pay this benefit once per calendar year. This benefit is only payable for health screening tests performed as the result of preventive care, including tests and diagnostic procedures ordered in connection with routine examinations. This benefit is payable for the covered employee and spouse.
This benefit is not paid for dependent children.

Child Coverage at No Additional Cost
Each dependent child is covered at 50 percent (%) of the primary insured’s benefit amount at no additional charge.

PLAN LIMITS AND PREMIUMS
There are various plan limit options. **You can find premium and coverage details on the Renton RFA Sharepoint site (rrfa.sharepoint.com) by searching “Group Critical Illness Plan”.** Employees can add this coverage during their initial onboarding process or during Aflac’s open enrollment period, which occurs in June/July, with an August policy effective date. **To add this coverage, contact HR for details: hr@rentonrfa.org.**

Optional Additional Coverage Amounts	\$5,000 - \$30,000
--------------------------------------	--------------------

Please note: Coverage for spouses can be purchased for an additional premium through this group critical illness plan.

ADDITIONAL BENEFITS GROUP ACCIDENT INSURANCE

ADDITIONAL BENEFITS

LONG TERM DISABILITY (LTD)

PROTECTING YOUR INCOME WHEN YOU NEED IT MOST

Long Term Disability (LTD) is a benefit available to all non-firefighter staff at Renton RFA. Firefighters do not qualify for this benefit, as it is available through the Local on a self-pay basis. LTD provides a steady stream of income to help cover essential expenses during an extended illness or accident.

Similar to the Life Insurance program, you must be a current, active employee who works 20 hours or more each week. You must also be a citizen or resident of the United States or Canada. You do not qualify if you are a Battalion Chief, Captain, Lieutenant, Engineer, Firefighter, temporary employee, seasonal employee, leased employee, independent contractor, or full-time member of the armed forces of any country.

ELIGIBILITY WAITING PERIOD

You are eligible for benefits on the first day of the calendar month following your start date.

Benefit	Amount
Long Term Disability Benefit	60% of the first \$15,000 of your predisability earnings, reduced by deductible income. Maximum: \$9,000 / month Minimum: \$100 / month

WHEN INSURANCE BECOMES EFFECTIVE

If evidence of insurability is required, your coverage becomes effective on the date that evidence of insurability is approved.

BENEFIT WAITING PERIOD

There is a 90-day waiting period.

MAXIMUM BENEFIT PERIOD

Your maximum benefit period is determined by your age. For those age 62 and under, you are provided benefits until age 65, until you reach Social Security Normal Retirement Age (SSNRA), or 3 years and 6 months, whichever is longer. For those age 63 and above, see the table below:

Age	Benefit Period
62 ≤	Until 65, you reach SSNRA, or 3.5 years
63	To SSNRA, or 3 years, whichever is longer
64	To SSNRA, or 3 years, whichever is longer
65	2 years
66	1 year, 9 months
67	1 year, 6 months
68	1 year, 3 months
69+	1 year

ADDITIONAL BENEFITS COMPENSATED TIME OFF

WORK-LIFE BALANCE THAT WORKS FOR YOU

A happy, well-rested team member is a productive, alert team member. As part of our commitment to ensuring the well-being of our staff, Renton RFA provides a generous bank of vacation time, sick leave, and paid holidays. Whether you need time to get back on your feet from an illness or just need a bit of rest and relaxation, we've got you covered.

VACATION LEAVE

Renton RFA provides competitive vacation benefits to all of its employees. The amount of vacation time allotted and accrued depends on your employment contract and your service credit years.

MANAGEMENT LEAVE

Certain exempt team members (those who are not eligible for overtime compensation) receive a static amount of additional leave known as management leave. This additional benefit provides 40 hours of compensated leave to be used at their discretion. This leave is in addition to all of the other forms of compensated leave mentioned on this page. Management leave does not roll over, however, any unused management leave is cashed out at the end of the year.

SICK LEAVE

Renton RFA members not otherwise covered by a collective bargaining agreement or personal employment contract receive two kinds of sick leave - regular sick leave provided by Renton RFA and state sick leave provided in accordance to RCW 49.46. State sick leave is a portion of regular sick leave, not additional sick leave.

It's important to remember that sick leave is a benefit and should not be used for purposes other than illness or injury not incurred at work, except where supplementing workers' compensation payments or for scheduled personal health care appointments.

HOLIDAYS

Unless modified by a collective bargaining agreement, Renton RFA observes thirteen paid holidays per year - eleven are predetermined and two are floating holidays that can be used at your discretion after six months of service credit. The predetermined holidays include:

- New Year's Eve
- Martin Luther King Jr. Day
- Memorial Day
- Juneteenth
- Independence Day
- Labor Day
- Veteran's Day
- Thanksgiving Day
- Native American Heritage Day
- Christmas Eve
- Christmas Day

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your child(ren) are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage using funds from their Medicaid or CHIP programs. If you or your child(ren) aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependent(s) are already enrolled in Medicaid or CHIP, you may contact the Washington State Medicaid or CHIP office to find out if premium assistance is available at <http://www.hca.wa.gov/medicaid/premiumpymt/pages/index.aspx> or dial 1-800-562-3022 ext. 15473

If you or your dependent(s) are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS-NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependent(s) are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

To see if any additional states offer a premium assistance program, or for more information on special enrollment rights, you can contact either:

Newborns' and Mothers' Health Protection Act of 1996

The Newborns' Act and its regulations provide that group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

The Newborns' Act, and its regulations, prohibit incentives (either positive or negative) that could encourage less than the minimum protections under the Act as described above.

A mother cannot be encouraged to accept less than the minimum protections available to her under the Newborns' Act, and an attending provider cannot be induced to discharge a mother or newborn earlier than 48 or 96 hours after delivery.

Women's Health and Cancer Rights Act of 1998

In October 1998, Congress enacted the Women's Health and Cancer Rights Act of 1998. This notice explains some important provisions of the Act.

As specified in the Women's Health and Cancer Rights Act, a plan participant or beneficiary who elects breast reconstruction in connection with a covered mastectomy is also entitled to the following benefits:

- All stages of reconstruction of the breast on which the mastectomy was performed
- Surgery and reconstruction of the other breast to produce a symmetrical appearance
- Prostheses and treatment of physical complications of the mastectomy, including lymphedemas

Health plans must provide coverage of mastectomy-related benefits in a manner determined in consultation with the attending physician and the patient. Coverage for breast reconstruction and related services may be subject to deductibles and coinsurance amounts that are consistent with those that apply to other benefits under this plan. Please call your plan administrator for more information.
