UNFINISHED BUSINESS

There was not any unfinished business.

NEW BUSINESS

Capital Facilities Plan: Revised Code of Washington (RCW) 82.02.050 and Washington Administrative Code (WAC) 365-196-850 authorize counties, cities, and towns planning under the Growth Management ACT (GMA) to impose impact fees for fire protection facilities. Fees collected may only be imposed for "system improvements" that are designed to provide service to the community at large, are reasonably related to the new development, and will benefit the new development.

In order for the City of Renton to collect impact fees on behalf of the Renton Regional Fire Authority, the Capital Facilities Plan (CFP) needs to be updated. The consultant, BERK, will be working collaboratively with CED, the RRFA, and the City of Renton.

A MOTION was made by Board Member Abercrombie and SECONDED by Board Member Pavone to authorize Chief Marshall to sign a contract with BERK Consulting for development of an updated capital facilities plan (CFP). MOTION CARRIED (6-0).
