PUBLIC HEARING ON REVENUE SOURCES, 2018 PROPOSED EXPENSE BUDGET, PROPERTY TAX, AND BENEFIT CHARGE
The Public Hearing was opened at 10:04 a.m. by Board Chair Prince.

• Fire Chief Marshall gave an overview of the 2018 proposed budget, stating that it implements the second phase of the increased level of service including staffing for Fire
Station 15, Relocation of RRFA Headquarters and continues funding of reserve for equipment, apparatus, and operations consistent with Board policy.

- The proposed 2018 Balanced Budget is $37,703,270.
- The RFA’s funding system is made up of both Property Taxes (based on AV) and the Benefit Charge (based on property size, use, and risk).
- The Public Hearing was then opened for public comments.
- Milt Reimers, Renton, stated he wanted to receive a copy of the 2017 vs. 2018 comparison. He asked if the RFA works with King County on property taxes as it relates to valuations. Chief Marshall stated that we don’t have any input and get the information from King County. Mr. Reimers asked if there was a place he could find terminology with regards to the fire service, EMS levy, etc. Chief Marshall offered to meet with him to discuss this further. Mr. Reimers noted that there wasn’t much of a difference in revenue between 2017 and 2018 and wondered why there wasn’t an increase due to hiring 14 new firefighters. Chief Marshall noted that the hiring process is a continuation throughout the year and not everyone is hired at once.

There being no further public comment, the public hearing was closed by Chairman Prince at 10:24 a.m.

PUBLIC COMMENT
There were no public comments (not related to the Public Hearing).

CHIEF’S REPORT
Chief Marshall’s report included the following:
- Interviews, Promotions and New Member: We have concluded over 170 firefighter interviews and have scheduled Chief’s interviews for the top 13 candidates. Captain Jerry
Johnson has announced his retirement effective and the end of this year. We will be conducting rule of three interviews over the next couple of weeks to select a new Captain and Lieutenant to fill his vacancy. Interviews are scheduled to take place on October 30, 2017 for one opening in the Response Operations division for a Training Lieutenant. The position will be open January 1, 2018. Please help us welcome our new Communications Manager, Katie Lewis, to the Renton RFA family. Katie’s first day was Monday, October 16. She is assigned to the Admin Division and will work out of HQ.

- Finance Analyst Interviews: Unfortunately, we have been unsuccessful in finding a suitable candidate for our Finance Analyst position. The position will continue to remain open until filled.
- Headquarters Move: Staff met with S.M. Stemper Architects, who we have requested a proposal for design and project management. The goal is to provide an adequate, efficient, and long term headquarters space at Fire Station 13.
- Fire Station 15: The fire station architect and City of Renton will be making a presentation to the Board during the first meeting in December.
- King County EMS Statistics: Rick Myking, EMS Captain, provided two sheets of statistics. These showed that cardiac arrests, treated by Renton FD from 2012 – 2016, had a 55.1% rate of being discharged alive from the hospital. This is compared to cardiac arrests treated by King County EMS, which had a 54.6% rate of being discharged alive.
- Large Purchases: PPE (Bunker Gear) – we have made a large purchase (combined purchases of around $90K) of bunker gear, both for our new firefighters and to replace expired gear for existing firefighters. This gear purchase is in the 2017 budget and was anticipated. Pumpers – the two pumpers that were budgeted for and ordered this year are arriving soon and we hope to have them on-line by December 1. Invoices for approx. $590K each will be paid once we take official delivery.
- Meeting with Chief Morris-Puget Sound Fire: On Monday, October 16, Chief Marshall had the chance to sit down with Chief Morris. They discussed the history of our two organizations, the challenges we are facing, and how we can work together while respecting the importance of local control.
- King County Fire Chief’s Outreach and Recruitment: The King County Fire Chief’s sub-committee on Outreach and Recruitment that Chief Marshall chairs, has finished the Chief’s message and they are now beginning to develop media and setting up pages on the KCFCA website. We continue efforts to recruit and hire QUALIFIED candidates from diverse backgrounds that better represent the communities we serve.
