• Parking in Front of Hydrants at the Schools – Commissioner Abercrombie asked what we could do as a district to enforce the fire lane parking and parking in front of hydrants at the county schools. Chief Peterson informed him that the Board would have to work with the County Sheriff and the Prosecutor. The issue has been discussed at the City level also and one of the solutions discussed was to put ticket books on the BC/SO rigs and authorize the BC/SOs to issue tickets.
New Business (Continued)

- *Parking in Front of Hydrants at the Schools (Continued)* - Chief Peterson offered to send a letter to the Principal(s) of the affected schools, with a copy to King County Sheriff and school administration if the Board drafted one. The suggestion was made to include a flyer with the parking rules when the students are sold their parking passes. It was also suggested to wait until closer to the time when school starts in the fall.
