- 2019 FHETS | ESO Training Academy Conference: From March 19 22, CAO Samantha Babich, FF Jim Eastwood, and Fire Marshal Anjela St John traveled to Austin, Texas for the FIREHOUSE Software Education & Training Seminar (FHETS) and ESO Wave Conference. #### MEMORANDUM

DATE: April 22, 2019

TO: Armondo Pavone, Chairperson (City of Renton)

Myron Meikle (Fire District 25) Kerry Abercrombie (Fire District 25) Marcus Morrell (Fire District 25)

Ed Prince (City of Renton)
Don Persson (City of Renton)

Linda Sartnurak (Non-voting Advisory Position, Fire District 40)

FROM: Rick Marshall, Fire Chief

SUBJECT: Renton Regional Fire Authority Chief's Report

#### 1. Office of the Fire Marshal New Members

We are pleased to welcome Deputy Fire Marshal/Public Educator Sarah Ferguson and Deputy Fire Marshal Dan Johnson to our organization.

Sarah is a recent graduate of Central Washington University with a degree in Public Health. She is a long time resident of Eastern Washington. She is happy to be living and working in Western Washington – and specifically excited to begin here career with Renton RFA. Sara completed an internship with Pierce County Emergency Management prior to her joining our team where she worked with Fire Prevention and Emergency Management. She is passionate about public safety and working with people in the community.

Dan was born in Renton but grew up in Olympia. He served in the Washington State Patrol for 32 years, starting as a Communications Officer doing dispatch in King County. During his time in the Patrol he promoted to a Commercial Vehicle Enforcement Officer in King County, eventually promoting to Supervisor assigned to Pierce and Thurston County. In 2001 he transferred into the State Fire Marshal's Office where he managed the State Fire Mobilization

program, and the Radioactive Waste Shipping programs.

#### 2. Washington Fire Chiefs Spring Seminar

On March 27 and 28, I had the opportunity to go to the Washington Fire Chief's Spring Seminar where I attended a lecture series on collective bargaining and labor law. The series was largely about how to follow the law and stay out of trouble with labor issues.

#### 3. FD40 Meeting

During the FD40 Commissioner meeting, the subject of a meeting to discuss contract costs was again discussed. The Commissioners committed to sending Acting Secretary Ryan available dates in June. Once we get those, I will reach out to the Governing Board to try and lock in a date.

#### 4. RRFA and RPD

Police Chief VanValey and I met on April 1 in our continued commitment to maintain positive and collaborative relationship. We both share the thought that leadership begins at the top and for our people on the streets to get along and work together, that starts with us.

#### 5. Meetings with Local Fire Chiefs

In an effort to keep relevant issues on the forefront, in the past month, I have continued to meet one on one with other local Chiefs and staff throughout the region to discuss emerging issues including automatic aid agreements, apparatus renumbering, response challenges, and continued efforts to find efficiencies in our operations. FM Barton met with other Fire Marshals in Zone 3 to discuss standardization of fire investigations and Chief Gunsolus took part in discussions regarding the standardization of Incident Management training throughout the Puget Sound region.

#### 6. Tyler Connect 2019

On April 8, 9, and 10, three of our Admin team members - Samantha Babich, LaQuanza Flowers, and Sheila Madsen - attended the Tyler Connect Conference in Dallas, TX. While there, they attended informative labs, workshops, and training sessions with hands-on demos of new and innovative tools for our financial software, Incode.

Another great benefit of attending was the ability to share ideas, see new products, and learn new ways to achieve our Department goals.

#### 7. Ballistic Vest Panel Purchase

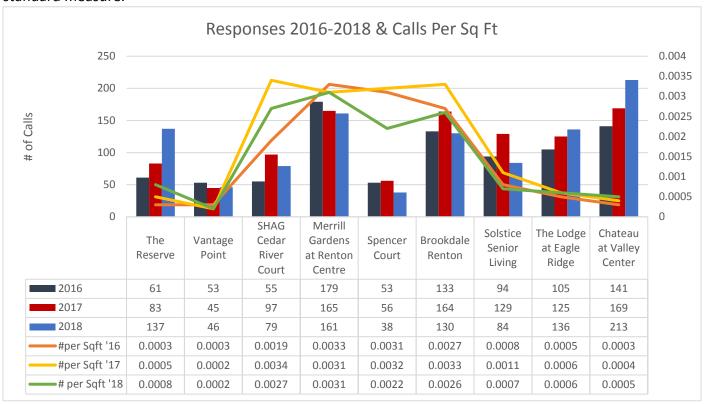

We will be purchasing new bullet-proof panels to replace our expired and expiring ballistic vest panels. The amount will be \$21,243.00. This cost is currently in the budget.

#### 8. Senior Housing Responses

Following up on a question from the Governing Board, I had staff pull response data for EMS calls to some of our larger senior living occupancies. The report is a good reflection of the impact that senior housing has on our call volume—which also impacts availability, reliability and response times. We are happy to have to serve our seniors in the community. We just need to understand the impacts and develop innovative ways to address the increases we are seeing. Please see the attached comparison document.

## Senior Housing Responses – 3 Year Comparison

The following data depicts all responses to multi-family senior housing complexes located within Renton from 2016-2018. The data also includes a measure of calls per square foot to establish a standard measure.
