

Classroom Visit Curriculum

Each Classroom Visit is designed to cover one or more of the topics below. Each topic includes its own curriculum. Curriculum is adjusted based on the grade level of students. Classroom Visits last 30 - 60 minutes and can be customized. You will work directly with our Public Educator to create the best experience for your unique students.

CLASSROOM VISIT TOPICS:

- **Exit Drills in The Home**
 - Students will be able to identify what do in the event on a home fire as well as learning the importance of a home fire escape plan.
