SUBJECT: Renton Regional Fire Authority Chief’s Report

1. **Recruit Graduation & New Entry Level Firefighters**
   On Thursday, January 30, colleagues, families and friends gathered to celebrate the graduation of 8 recruits who are now officially Renton Firefighters. This was the eighth academy graduation from the Training Consortium, providing consistent and thorough training for our recruits.

   We had 5 new recruits start on January 27, and 6 began the Academy on Thursday, February 6. The sixth recruit started the Academy with the previous class and was injured and is therefore restarting the Academy.

2. **Welcome to our New Member**
   *Our new Logistics Coordinator, Richard Wollet:*
   Richard was born in Helena, MT and moved to Washington when he was just 18 months old. He grew up in the Federal Way, and now lives in Buckley, WA. Richard has worked in Logistics for the last 15 years. His hobbies include traveling, tech, reading, watching sports, build projects, and is up for trying anything new. He is very much looking forward to getting acclimated in his new position and is eager to contribute in a full capacity to the Renton RFA team.
3. **Washington State Department of Enterprise Services (DES) Agreement**

Sustainable alternatives are readily available to organizations, which is why it makes good sense to put them into practice without delay. In our efforts to promote sustainability and transition to a greener organization, we are entering into an agreement with DES to participate in the Energy Program that will provide more energy-efficient improvements to our facilities in the form of lighting upgrades.

4. **National Heart Month**

February is National Heart Month! Heart disease is the leading cause of death for men and women in the United States, claiming one out of four lives every year. The good news is heart disease can often be prevented by making healthy choices and managing health conditions. Renton RFA will be providing tips to the community on how to maintain and improve heart health. I am happy to also be partnering with the City of Renton to provide blood sugar and blood pressure screenings to City staff and our community.

5. **Stuffed Animal Donation Drive**

Calming a child during an incident can make a world of difference for that child and their family. Our emergency response vehicles carry new stuffed animals to form a trusting relationship between our firefighters and the children & families we serve. Stations 13 and 14 are currently accepting stuffed animal donations through Monday, February 17th. Please refer to the attached flyer for more information. Special thanks to our newest Citizen Advisory Board member, Silke Prelog, for her efforts.

6. **Strategic Plan Kick-Off Meeting**

The Strategic Planning Committee met with BERK Consulting, Inc. on Tuesday, January 28 to kick-off our Strategic Planning process. A Strategic Plan is critical for our organization as we move from our infancy into a full-fledged RFA. This was the first of several monthly meetings to work through and complete the Strategic Plan leading up to the July 1st deadline. I would like to have the Board appoint one member from City Council and one member from FD25 to serve as Board Representatives. I have also asked FD40 to consider appointing one member to serve as well.

7. **Uniform Fire Code Update**

Washington State will be adopting the newest addition of the Uniform Fire Code in July of this year. FM Barton has been working along-side other Fire Marshals from King County to determine what impacts this will have on local ordinances. In the coming months, we will be working with City of Renton staff, and I wanted to give our Council members a heads up that it will be coming through the committee and then to Council for adoption. FM Barton will be briefing the Governing Board on this next month.
8. **King County Fire Chiefs Association**
   I was elected Treasurer for the King County Fire Chiefs Association after serving the past two years as the Board Representative for our zone (Zone 3). I am grateful for the assistance of our Finance team—LaQuanza Flowers specifically.

9. **KCFD7 / RRFA Meeting**
   On Friday, January 17, I met with KCFD7 to discuss RFA formation process and strategy. I was asked to revise the RFA informational site for the Washington State Fire Chiefs two years ago and have spent quite a bit of time helping departments from all over our state determine if an RFA is for them.

10. **Renton Chamber Board Meeting**
    On Friday, January 30, I attended the Renton Chamber Board meeting where they discussed next steps after the appointment of Diane Dobson to CEO. We are now focusing on developing strategies to ensure that the Chamber is both relevant and fiscally sustainable. Board membership has changed significantly over the past year or so, and I am excited by both the energy and professionalism there.

Donating NEW Stuffed Animals to Our Fire Department

Renton Regional Fire Authority emergency response vehicles carry NEW stuffed animals in hopes that they will calm a child in a scary situation and form a trusting relationship with our firefighters.

Due to health and safety reasons we have outlined the criteria of what we are able to accept in a donation:

- **ONLY NEW** stuffed animals are accepted. They must be in the original packaging and/or have tags attached.
- They must be **no more than 8” in size** – storage space on our emergency response vehicles is very limited, so we are only able to accept smaller sized donations.
- They **CAN NOT** have **ANY** sewn-on parts, such as eyes or other items, that can be removed and become a choking hazard.

Any donations received that do not meet criteria will be donated to a charity organization in Renton.

Donations will be accepted at:

**Fire Station 14 (1900 Lind Ave SW)**

Previously, Board Member Prince served as the second authorized signature for our banking. With the change in Board membership it is necessary to select a new signer.

Staff is recommending that Chairman Abercrombie serve as second signer as his term is currently the longest (four years). Each change in signer requires programming in our accounting software and has a related fee associated with that programming.

I move that Chairman Kerry Abercrombie be selected to replace Board Member Prince as a second signer for the RFA's US Bank account.
