SUBJECT: **Renton Regional Fire Authority Chief's Report**

1. Recruit Class #19 Graduation

On January 21st, we had ten members graduate from recruit class #19. Please join me in congratulating our newest firefighters *(listed in order from top to bottom, left to right)*:

- FF Simon Czyzewski
- Bodey Smith
- Lance Lawson
- Chad Chapman
- Tyler Perpignan
- Aidan Herd
- Erik Wiseman
- Taylor Menkens
- Wyatt Springer
- Talon Carswell

2. Welcome Recruit Class #20

Please join me in giving a warm welcome to our [five new recruits](#). Their first day of academy was January 30th, and they are scheduled to graduate on July 2nd, 2025. We are excited to have everyone on board!

3. Members of the 4th Quarter

Please join me in congratulating the following members for their contributions during 4th quarter that earned them Member of the 4th Quarter:

- Officer of the Quarter – Lt. Michael Bain
- Engineer of the Quarter – Eng. Dan Johnston
- Firefighter of the Quarter – FF Sean Leahy
- Civilian of the Quarter – Communications Manager Katie Lewis

4. 2024 Top Company Awards

Nominations were received from the battalion chiefs for top company recognition. The following companies were selected for their exemplary teamwork and dedication to the fire service. These companies will receive official recognition during the annual banquet.

Top Engine Company (E313 C-Shift)

Capt. Josh Brown
Eng. Greg LeBlanc
FF Mickey Bergsma

Top Aid Unit (A313 B-Shift)

FF Cody Olson
FF Jace Reyes

5. Retirement

Battalion Chief Kevin Anderson retired at the end of January. BC Anderson served the Renton community for 38 years. We do not currently have an active promotional list for BC, so we will be conducting a promotional process in May, and once this is completed, we will conduct "Rule of Three" interviews to fill multiple vacancies. This also impacts our current deputy chief opening, which will be filled later in the year from the BC ranks.

6. Letter of Commendation

FF Timotei Butiu was nominated for a letter of commendation for his exceptional off-duty assistance on New Year's Eve. He helped reunite an elderly Romanian man with his family after he was found disoriented and without identification. FF Butiu, contacted by E315, spent nearly two hours translating, tirelessly assisting in the search for the man's son's home, even calling relatives in Romania. His dedication and language skills were instrumental in resolving the situation, preventing unnecessary hospitalization, and bringing relief to a worried family. This act exemplifies selflessness, teamwork, and commitment to community service.

7. Washington Fire Chiefs Update

On February 5th, I attended the annual Washington Fire Chiefs Board meeting in Olympia. Board members reviewed accomplishments from 2024 and prioritized our plan for 2025, as well as finalized legislative priorities. On February 6th, I met with Representatives Berquist and Hackney to discuss those legislative priorities as part of the annual WFC Legislative Day.

Welcome New Recruits

GEORGE POYSKY

My name is George Poysky, I was born and raised in Pago Pago, American Samoa until I was 17 years old. After moving off the island I lived in Clatskanie, Oregon with my grandparents until I graduated out of Clatskanie High School. Shortly after graduating I joined the US Army at the age of 19. I spent a little over ten years in the Army, my entire career was spent with 2nd Ranger Battalion 75th Ranger Regiment at Fort Lewis WA. After the military, my goal is to become a Firefighter. Working in team sized elements paired with the comradery and high caliber individuals found among the fire service is something I strive to be a part of. Currently my hobbies are snowboarding, rock climbing, cycling, spear fishing (if I can catch a fish) and camping.

HAYLEE ENGELHARDT

My name is Haylee Engelhardt. I was born and raised in Enumclaw, WA and currently live in Buckley, WA. I'm a former 5th grade teacher, so my love for public service runs deep. I was eager to do a job that still fills my cup and has purpose, but with more of a physical fitness aspect and teamwork approach, which led me here! In my free time, I love to workout at my local CrossFit gym, go fishing in the ocean, go skiing and spend time with my loved ones. I also love food and trying foods from new cultures, so if you have any Renton area recommendations, let me know!

JAYDEN LAEDER

My name is Jayden, and I am the oldest of seven siblings. Growing up, I've always felt a strong sense of responsibility as a role model to my younger siblings. This inspired me to pursue a career in the fire service, where I can extend that same sense of guidance and care to my community. I love staying active, whether it's hiking with my two dogs, Rusty (Husky) and Brady (Australian Shepherd), coaching and playing basketball, or hitting the gym. One of my favorite memories is leading my siblings on their first hike and watching their excitement as we reached the summit—it reminded me how much I love encouraging others to push their limits. When I'm not on the move, I enjoy connecting with friends and family over board games or video games. Looking ahead, I'm excited to grow as a leader, both in my family and in the fire service, while continuing to stay connected to the activities and people I love.

**ALEX HOFFMAN**

Hey, my name is Alex. I joined the Navy out of high school and have been working in construction as a welder since early 2018. A few things I like to do in my free time include hunting, backpacking and working on cars and motorcycles. I currently live in North Everett with my girlfriend and dog. I was interested in trying to become a firefighter when I was in high school but life took me elsewhere, so I'm excited to join Renton Fire.

**WILLIAM MILLENAAR**

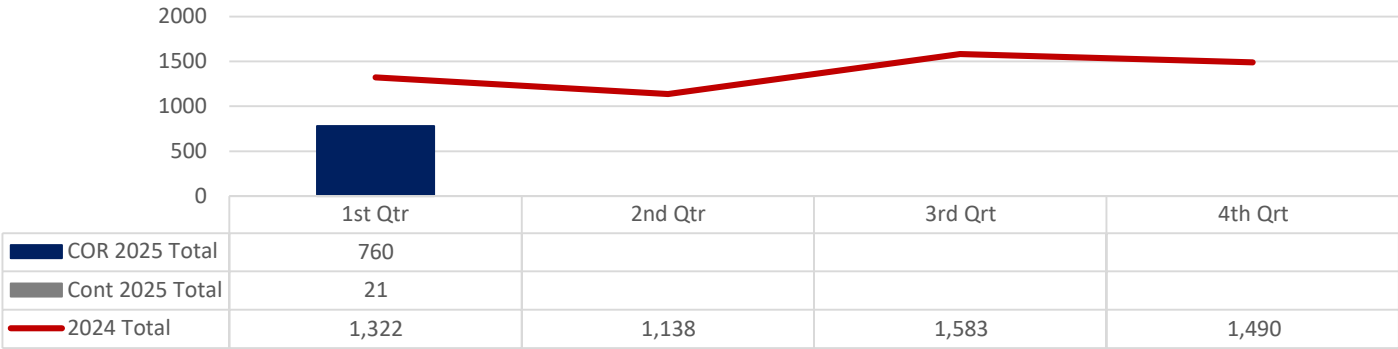

Hello! My name is William Millenaar. I was born and raised in Mount Vernon Washington and enjoy outdoor activities such as hiking, mountain biking, and fishing. I was introduced to the Fire service through a mentor of mine and since that moment I have aimed to make Public service a part of my life. I am thrilled to be a part of Renton's community and look forward to a meaningful career with Renton RFA!
