6. Termination:

- A. Either Party reserves the right to terminate this Agreement at any time, with or without cause by giving thirty (30) calendar days' notice to the other Party in writing. In the event of such termination or suspension, all finished documents and reports, or other material prepared by the City pursuant to this Agreement shall be submitted to the RRFA, if any are required as part of the Work.
- B. In the event this Agreement is terminated by the City prior to completion of all Work, the City shall be entitled to payment for all Work performed in accordance

with this Agreement, less all payments previously made. This provision shall not prevent the Parties from seeking any legal remedies they may have for the violation or non- performance of any of the provisions of this Agreement. No payment shall be made by the RRFA for any expenses incurred or Work done following the effective date of termination unless authorized in writing by the Parties.

7. **Standard of Care:** The City will perform all Work identified in this Agreement in a professional and workman-like manner and in accordance with all reasonable and professional standards and laws for the type of Work provided in Washington State. The provisions of this section shall survive the expiration or termination of this Agreement.

8. **Record Maintenance:** The Parties shall maintain accounts and records, which properly reflect all direct and indirect costs expended and Work provided in the performance of this Agreement and retain such records for as long as may be required by applicable Washington State records retention laws, but in any event no less than six (6) years after the termination of this Agreement. The Parties agree to provide access to, and copies of, any records related to this Agreement as required by the other Party to audit expenditures and charges and/or to comply with the Washington State Public Records Act (Chapter 42.56 RCW). The provisions of this section shall survive the expiration or termination of this Agreement.

9. **Public Records Compliance:** To the full extent a Party determines necessary to comply with the Washington State Public Records Act, the other Party shall make a due diligent search of all records in its possession or control relating to this Agreement and the Work, including, but not limited to, e-mail, correspondence, notes, saved telephone messages, recordings, photos, or drawings and provide them to the other Party for production. In the event the other Party believes said records need to be protected from disclosure, it may, at its own expense, seek judicial protection. The Parties shall indemnify, defend, and hold harmless the other Party for all costs, including attorneys' fees, attendant to any claim or litigation related to a Public Records Act request for which the other Party has responsive records and for which the other Party has withheld records or information contained therein, or not

provided them to the other Party in a timely manner. Each Party shall produce for distribution any and all records responsive to the Public Records Act request in a timely manner, unless those records are protected by court order. The provisions of this section shall survive the expiration or termination of this Agreement.

10. Independent Contractor Relationship:

- A. The City is retained by the RRFA only for the purposes and to the extent set forth in this Agreement. The nature of the relationship between the City and the RRFA during the period of the Work shall be that of an independent contractor, not employee. The City, not the RRFA, shall have the power to control and direct the details, manner or means of Work. Specifically, but not by means of limitation, the City shall have no obligation to work any particular hours or particular schedule, unless otherwise indicated in the Scope of Work or where scheduling of attendance or performance is mutually arranged due to the nature of the Work. The City shall retain the right to designate the means of performing the Work covered by this Agreement, and the City shall be entitled to employ other workers at such compensation and such other conditions as it may deem proper, provided, however, that any contract so made by the City is to be paid by it alone, and that by employing such workers, it is acting individually and not as an agent for the RRFA.

- B. The RRFA shall not be responsible for withholding or otherwise deducting federal income tax or Social Security or contributing to the State Industrial Insurance Program, providing insurance benefits, training, tools, or materials, or otherwise assuming the duties of an employer with respect to the City or any employee of the RRFA.

- C. In the event special training, licensing, or certification is required for the City to provide Work, he/she will acquire or maintain such at his/her own expense and, if the City employs, sub-contracts, or otherwise assigns the responsibility to perform the Work, said employee/sub-contractor/assignee will acquire and or maintain such training, licensing, or certification.

D. This is a non-exclusive Agreement, and the City is free to provide services to other entities, so long as there is no interruption or interference with the provision of Work called for in this Agreement.

11. **Hold Harmless:** The City agrees to release, indemnify, defend, and hold harmless the RRFA, elected officials, employees, officers, representatives, and volunteers from any and all claims, demands, actions, suits, causes of action, arbitrations, mediations, proceedings, judgments, awards, injuries, damages, liabilities, taxes, losses, fines, fees, penalties, expenses, attorney's or attorneys' fees, costs, and/or litigation expenses to or by any and all persons or entities, arising from, resulting from, or relating to the negligent acts, errors or omissions of the City in its performance of this Agreement (testing of radios only) or a breach of this Agreement by the City, except for that portion of the claims caused by the RRFA's negligence.

The RRFA agrees to release, indemnify, defend, and hold harmless the City, elected officials, employees, officers, representatives, and volunteers from any and all claims, demands, actions, suits, causes of action, arbitrations, mediations, proceedings, judgments, awards, injuries, damages, liabilities, taxes, losses, fines, fees, penalties, expenses, attorney's or attorneys' fees, costs, and/or litigation expenses to or by any and all persons or entities, arising from, resulting from, or relating to the negligent acts, errors or omissions of the RRFA in its performance of this Agreement or a breach of this Agreement by the RRFA, except for that portion of the claims caused by the City's negligence. Should a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115 (validity of agreement to indemnify against liability for negligence relative to construction, alteration, improvement, etc., of structure or improvement attached to real estate...), then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the RRFA and the City, its officers, officials, employees and volunteers, each Party's liability shall be only to the extent of the Party's negligence.

It is further specifically and expressly understood that the indemnification provided in this Agreement constitutes each Party's waiver of immunity under the Industrial Insurance Act {RCW Title 51}, solely for the purposes of this

indemnification. The Parties have mutually negotiated and agreed to this waiver. The provisions of this section shall survive the expiration or termination of this Agreement.

12. **Gifts and Conflicts:** The City's Code of Ethics and Washington State law prohibit City employees from soliciting, accepting, or receiving any gift, gratuity or favor from any person, firm or corporation involved in a contract or transaction. To ensure compliance with the City's Code of Ethics and state law, the RRFA shall not give a gift of any kind to City employees or officials. The RRFA also confirms that the RRFA does not have a business interest or a close family relationship with any City officer or employee who was, is, or will be involved in selecting the City, negotiating or administering this Agreement, or evaluating the City's performance of the Work.
13. **Insurance:** Parties shall secure and maintain or provide documentation of adequate self- insurance:
- A. Commercial general liability insurance in the minimum amounts of \$1,000,000 for each occurrence/\$2,000,000 aggregate for the term of this Agreement.
 - B. In the event that Work delivered pursuant to this Agreement either directly or indirectly involves or requires Professional Services, Professional Liability, Errors and Omissions, coverage shall be provided with minimum limits of \$1,000,000 per occurrence. "Professional Services", for the purpose of this section, shall mean any Work provided by a licensed professional or Work that requires a professional standard of care.
 - C. Workers' compensation coverage, as required by the Industrial Insurance laws of the State of Washington, shall also be secured.
 - D. Commercial Automobile Liability for owned, leased, hired or non-owned, with minimum limits of \$1,000,000 per occurrence combined single limit, if there will be any use of the RRFA's vehicles on the City's premises by or on behalf of the City, beyond normal commutes.

The Parties will provide the other Party with a Certificate of Insurance of its commercial general liability policy on a non-contributory primary basis. *Party to this Agreement may fulfill the insurance obligations contained herein by maintaining membership in a joint self-insurance program authorized by RCW 48.62.*

- E. The City's insurance policies shall not be a source for payment of any RRFA liability, nor shall the maintenance of any insurance required by this Agreement be construed to limit the liability of the RRFA to the coverage provided by such insurance or otherwise limit the City's recourse to any remedy available at law or in equity.
- F. The Parties shall provide the other Party with written notice of any policy cancellation, within two (2) business days of their receipt of such notice.
14. **Delays:** The City is not responsible for delays caused by factors beyond the City's reasonable control. When such delays beyond the City's reasonable control occur, the RRFA agrees the City is not responsible for damages, nor shall the City be deemed to be in default of the Agreement.
15. **Assignment:** Neither the City nor the RRFA shall assign, transfer or encumber any rights, duties or interests accruing from this Agreement without a signed amendment to this Agreement.
16. **Merger, Acquisition, or Name Change:** If either Party is merged with, acquired by another entity, or has a name change, such Party shall provide written notice to the other Party within twenty (20) days of the effective date of such merger, acquisition, or name change. The surviving or acquiring entity shall assume all rights and obligations of such Party under this Agreement, unless otherwise agreed by the Parties in a signed amendment to this Agreement. The new or renamed entity will promptly sign an amendment upon request by the City to document its assumption of all obligations under this Agreement.
17. **Discrimination Prohibited:** Except to the extent permitted by a bona fide occupational qualification, the Parties agree as follows:

- A. The Party, and Party's agents, employees, representatives, and volunteers with regard to the Work performed or to be performed under this Agreement, shall not discriminate on the basis of race, color, sex, religion, nationality, creed, marital status, sexual orientation or preference, age (except minimum age and retirement provisions), honorably discharged veteran or military status, or the presence of any sensory, mental or physical handicap, unless based upon a bona fide occupational qualification in relationship to hiring and employment, in employment or application for employment, the administration of the delivery of Work or any other benefits under this Agreement, or procurement of materials or supplies.
- B. The Parties will take affirmative steps to ensure that applicants are employed and that employees are treated during employment without regard to their race, creed, color, national origin, sex, age, sexual orientation, physical, sensory or mental handicaps, or marital status. Such action shall include, but not be limited to the following employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training.
- C. If either Party fails to comply with any of this Agreement's non-discrimination provisions, the other Party shall have the right, at its option, to cancel the Agreement in whole or in part.
- D. Each Party is responsible to be aware of and in compliance with all federal, state and local laws and regulations that may affect the satisfactory completion of the project, which includes but is not limited to fair labor laws, worker's compensation, and Title VI of the Federal Civil Rights Act of 1964, and will comply with City of Renton Council Resolution No. 4085.

The RRFA hereby expressly consents to the personal and exclusive jurisdiction and venue of such court.
- H. Severability. A court of competent jurisdiction's determination that any provision or part of this Agreement is illegal or unenforceable shall not cancel or invalidate the remainder of this Agreement, which shall remain in full force and effect.
- I. Sole and Entire Agreement. This Agreement contains the entire agreement of the Parties and any representations or understandings, whether oral or written, not incorporated are excluded.
- J. Third-Party Beneficiaries. Either Party's failure to enforce any provision of this Agreement shall not be a waiver and shall not prevent either the City or RRFA from enforcing that provision or any other provision of this Agreement in the future. Waiver of breach of any provision of this Agreement shall not be deemed to be a waiver of any prior or subsequent breach unless it is expressly waived in writing.
