FEDERAL AWARD PROJECT DESCRIPTION
SFD will 1) Conduct two 80-hour Weapons of Mass Destruction Structural Collapse Technical Courses, 2) Train 48 Seattle Urban Area first responders are structural collapse and heavy rescue technicians in accordance with NFPA 1006 and NFPA 1670, 3) Identify regional needs, purchase, deliver, and inventory; lifting/shoring and cutting/breaching equipment, methane gas detectors, rescue taskforce body armor, and CBRNE suits.

Under the terms and conditions of this grant, SFD will be distributing specialized emergency response and fire equipment for the Jurisdiction. The distribution of the equipment through this grant is subject to the following terms and conditions.

**1. The equipment to be purchased for the Jurisdiction is as described as follows:**

*(Based on quotes provided at the time of the grant award or upon equipment ordering. The actual equipment description and cost will be reflected on the Hand Receipt(s) when the equipment is delivered):*

EQUIPMENT DESCRIPTION	VENDOR
CBRNE Suits – \$30,000	Listed on Hand Receipts

The equipment listed above will be distributed through projects awarded by this grant. All equipment distributed to the Jurisdiction under this grant agreement and identified through signed hand receipt(s) will be covered by the provisions in this agreement.

2. This equipment shall be accounted for by written hand receipt(s) which will be provided at the time the equipment is received by the Jurisdiction and is subject to the terms and conditions of this agreement. Title to the equipment transfers upon delivery.
3. The equipment delivered to Jurisdiction is accepted "as is" by Jurisdiction with the understanding that SFD disclaims all warranties for the delivered equipment. Should the equipment not perform as specified by the vendor, the Department will provide all warranty repair information to Jurisdiction.
4. Jurisdiction is responsible for the exchange of equipment with like items for proper size, etc. Department will provide all exchange information to the Jurisdiction.
5. Jurisdiction is responsible for the maintenance, training, storage, proper use and inventory of the equipment. If this equipment is lost, stolen or deemed unusable it will not be replaced. Equipment valued at \$10,000 or more (or the Jurisdiction's capitalization threshold, if less than \$10,000) have additional compliance requirements. These requirements include maintaining detailed property records, an inventory to be conducted by the Jurisdiction every two years on all federally purchased equipment valued at \$10,000 or more (or the Jurisdiction's capitalization threshold, if less than \$10,000), a control system to adequately maintain and safeguard the equipment must be established, and federal disposal requirements must be met. The Jurisdiction shall comply with the 2 CFR Part 200, "Uniform Guidance: Uniform Administrative requirements, Cost Principles, and Audit Requirements for Federal Awards", and 44 CFR 13.32 Equipment.
6. Jurisdiction shall defend and hold harmless the U.S. Department of Homeland Security, the Washington State Military Department, King County Office of Emergency Management, the Department, its officers, employees and agents from any claims, costs, demands or damages that may

result from the Jurisdiction's failure to comply with the provisions of this Agreement, and with laws and regulations applicable to the equipment and its use.

7. For all equipment valued at \$10,000 or more (or the Jurisdiction's capitalization threshold, whichever is more) the Jurisdiction must complete a biennial letter of certification to the Department at the address listed below. The certification letter must identify this equipment and include the date of inventory, location, and condition of the equipment until the equipment is disposed of in accordance with Federal requirements. These forms will be provided by SFD during the monitoring process.
8. Jurisdiction must record this equipment in accordance with 2 CFR Part 200 Subpart E "Cost Principles" and are subject to audit and reporting requirements under 2 CFR Part 200 Subpart F "Audit Requirements". If the Jurisdiction is required to have an audit in accordance with 2 CFR Part 200 for the year the equipment is received, a copy of the audit report and the management letter shall be forwarded to the Department at the address listed below.
9. Jurisdiction shall maintain all books, records and documents related to the receipts and proper maintenance of the equipment. In compliance with 2 CFR Part 200 Part D "Post Federal Award Requirements", Department will conduct periodic onsite reviews of the equipment and the accounting records.
10. SFD has responsibility to monitor the listed equipment/supplies for its useful life.
11. Jurisdiction understands it has a responsibility to report the cost of equipment on the Financial Schedule of Expenditures of Federal Awards (SEFA, Schedule 16 annual financial report).
12. Jurisdiction must permit the Seattle Fire Department and their auditors and/or federal monitors to have access to the Jurisdiction's records and financial statements as necessary to meet the requirements of the grant program.
13. Where documents require signatures, please sign and return to the Seattle Fire Department, Finance Division, 301 Second Avenue South, Seattle, WA 98104-2680. Thank you for your assistance in this matter. Please email the above Seattle Fire Department contact if you have questions.
